Performance Testing

1000 registration testing

- Max time   11.25481 s

- Min time   10.21378 s

- Average time 10.30

- Lost :   0-5 records in one testing.

- Average lost: 1 record

1000 Download testing

- Max time   60.89323 s

- Min time   60.56264 s

- Average time 60.76231 s

- Lost   0

Because continuously sending message to server or client will occur losing data, although I used tcp protocol, I have to sleep for a while. Thus, the speed of registration and download will be reduced.
